ROCK BRIDGE HIGH SCHOOL

In 1973 Bruin families united to build the current Rock Bridge sports stadium. In 2017 we will celebrate the construction of a new grandstand and concession stand. The Bruin Booster Club is offering you the opportunity to support Bruin athletics and be a permanent part of the stadium renovation by purchasing an engraved brick to include your own personal message. Bricks will be located in the Bruin Legacy Plaza adjacent to the football field and east of the grandstand. We invite players, family, alumni, fans or friends to participate by purchasing a brick in honor or memory of a student athlete, coach, team or special accomplishment.

ORDER YOUR BRICK TODAY!
